

Dear Darrell's staff,

This letter is in regards to the service given at your downtown Halifax restaurant. We frequently come in on the weekends & I would like to compliment the way your customer service and servers treat the guests! It is always a great atmosphere there! The food is affordable and delicious & we always leave satisfied by the service and the servers are usually amazing with noticing the little things & helping out in any way possible.

I specifically thank all the workers and the staff of the restaurant for handling the high traffic of customers and working to please every single one! Your staff is full of energy and enthusiasm and helping the guest choose the best dishes according to their taste. I am very thankful to each one of them and I hope that you will continue to be one of the best restaurants in the city.

Thank you again and best of luck for the future.

Regards,
