Dear Dan,

Thank you for your generous sponsorship of the 7th Annual Grammar Classic Basketball tournament. Your support not only helped to make the tournament a huge success, but all proceeds will go directly back to support travel costs, new uniforms and equipment of our Senior boys and girls basketball programs.

Attached is the tournament program that features your advertisement. The programs were given to all coaches, players, volunteers and ticket holders throughout the three-day event (over 300 were distributed).

We are delighted to report that the Grammar Gryphon's won the girls' division championship and finished 3rd place in the boys' division.

Thank you again for your generous support. I hope you will consider sponsoring this tournament again next year.

Sincerely,

Chris Steeves
Director of Advancement
